Supporting those affected by
Inherited Metabolic Disorders

The Legal Stuff

Disclaimer:

Climb is committed to the highest standard of quality information and every attempt has been made to present up-to-date and accurate information.

However, Climb gives no warranty as to the accuracy of the information on this publication and accepts no liability caused as a result of reliance on such information. All information about metabolic diseases is provided by Climb and is intended for educational purposes only. It should not be used for diagnostic or treatment purposes. Should you have any questions after reading this information, please do not hesitate to contact Climb for further detailed information. Climb is unable to offer specific medical information regarding a particular disease or individual. Where this level of support is required, Climb will always refer you to your GP or specialist/consultant.

Family and Professional Articles: Please note that the views and opinions expressed in any of these articles are not necessarily those of Climb.

Data Protection:

Climb complies with the Data Protection Act 1998. Under the Data Protection Act, we have a legal requirement to ensure that all personal information is kept secure, accurate, up to date, and is only used for the purposes it was collected. Climb offers confidential and impartial support and advice to families, adults and professionals. The information which you provide will be used solely for the purpose of ensuring that Climb can support you to the best of our ability and if elected to membership, dealing with you as a member of Climb. Climb will not share any of your personal information outside of our organisation without your prior written consent.
